

JOHN LEE HOOKER, JR.

ALL ODDS AGAINST ME

John Lee Hooker, Jr. continues to carry blues into the 21st century with his third album, **All Odds Against Me**.

The 12-song album is his first effort to include only new and original tracks. From the gravely blues of the Detroit streets to a new era of sound; from the shadow of his father's accomplishments to standing apart from his namesake; from criminal to crime-fighter; and from San Quentin to the Red Carpet. Its no wonder the album is called **All Odds Against Me**.

John Lee Hooker Jr. has built upon his colorful past as he continues to distinguish himself as a contemporary Bluesman

"John Lee Hooker, Jr. targets a wider audience than just fans of the traditional blues music that his father played ... He's a rapper who also happens to be a bluesman."
- Living Blues

"John Lee Jr. has done his Daddy proud. You just know the Boogie-man is smilin' and snappin' his fingers."
